

Kindergarten Korner - Final Achievement Levels (6th six-week term)

Language Arts Achievements:

- Recognize and name all ALL capital and lower case letters (52/52)
- Name ALL letter sounds (26/26)
- Identify high frequency site words (45/50)
- Begin to put together words to express sentence like ideas.
- Legibly write all upper/lower case letters, numbers 1-10, and first and last name.
- Listen to and comprehend a passage of reading.
- Segment words into sounds (for example the word "top" child says t/o/p)
- Apply meaning or phonic skills to read

Math Skills

- Recognize numeral and combinations for 0-20
- Demonstrate number combinations for 2-10
- Model and solve addition and subtraction problems when given an equation
(Sample: give a child 5 wooden block plus 3 wooden blocks equals 8 wooden blocks)
- Order objects by length and identify shortest and longest object
- Compare the sizes of two flat surfaces and identify which surface area is larger and smaller
