

## Math and Science Investigations

**Jump it up:** Using a jump rope have your children or class compete with a few other friends to find out how many times they can jump. Each child is assigned a column and color and color in the graph. Counting, graphing and great exercise too!

|        |  |  |  |  |  |
|--------|--|--|--|--|--|
| 47-100 |  |  |  |  |  |
| 41-46  |  |  |  |  |  |
| 36-40  |  |  |  |  |  |
| 31-35  |  |  |  |  |  |
| 26-30  |  |  |  |  |  |
| 21-25  |  |  |  |  |  |
| 16-20  |  |  |  |  |  |
| 11-15  |  |  |  |  |  |
| 6-10   |  |  |  |  |  |
| 1-10   |  |  |  |  |  |
